Hi there. Connecting you to Monica of the Nickel Diner on Main. I'm receiving complaints about this group and selling by the parking lot. Is there anything that can be done?

It's not illegal. The city decriminalized it, then our outgoing governor. The only thing I can do is make sure they do not block the sidewalk. I'll go talk to them. Thanks Blair.

I have to say a big thank you! The Nordstrom Rack party was not there today!
